DR. E. T. HAGERMAN.

DR. E. T. HAGERMAN, who is to lecture here on the last day of the Chautauqua, has occupied the leading pulpit of his denomination in each of six He went from the First Methodist Church of Des Moines to the First Church in Milwaukee, the largest Methodist church in the state of Wisconsin. He has never been troubled with empty pews.

Dr. Hagerman has the gift of putting fundamental truths very simply. He discusses problems in the language of the people. His congregations were notable for the large number of men who attended.

He has also been in much demand as an after dinner speaker. Only men who can interest and entertain are called on repeatedly for after dinner

As a lecturer Dr. Hagerman is not of the dramatic, explosive style, but a speaker who grows on his audiences the longer he talks. He is a genius in word painting, and his thoughts are emphasized by natural, wholesome wit.
